MEDICARE OPEN ENROLLMENT

Need to enroll for Medicare or make a change in your current coverage? Do you have questions about what benefit plan is right for you? You're not alone. Take the guess work of the process and reach out to Community Access Line of the Lakeshore | 211 to locate a Medicare Medicaid Assistance Program (MMAP) in your community.

Enrollment Period: October 15 - December 7

The Open Enrollment period gives people with Medicare the opportunity to make changes to their health plan or prescription drug plan, pick a Medicare Advantage plan, or return to Original Medicare (also referred to as Medicare Part A and Part B). Medicare plans can change their offerings and costs every year, and individuals' health needs can change from year-to-year, too. Now is the time for people with Medicare to review their coverage options and make a choice that best meets their health care needs.
